JOB EXPERIENCE/

2023 - Present

Graphic Designer and Website Developer (Remote)

Clayheart Studios, NYC, USA.

I create clean, visually compelling designs and build functional, responsive websites for creative and business needs. Working remotely with Clayheart Studios, I help deliver strong visuals, user-friendly web experiences, and consistent brand communication across digital platforms.

2023 - 2024

Graphic Designer

MusePeace Foundation, NG

I created clean and purposeful visual designs for campaigns, events, and digital communication, helping the foundation communicate its message with clarity, creativity, and impact.
